TAKAM MISING SÍ:SANG KÉBANG

No. TMSK/PROJECT/2026/02 Dated Assam 26th October 2026

NOTIFICATION

This is to formally inform the public and all concerned that Takam Mising Sí:sang Kébang (TMSK) is initiating a new project titled *"**Opín Kinsulai**"*, dedicated to tracing, documenting, and preserving the genealogical heritage of the Mising community.

Under this initiative, TMSK intends to establish contact and collaborate with the staff members and representatives of various Ope: Kebang to trace and document their respective clan genealogies. The project also aims to establish effective coordination among different Ope: Kebang to facilitate the exchange of genealogical information, identify missing ancestral links, and reconstruct genealogical connections that remain undocumented or require further verification.

Furthermore, TMSK intends to collaborate with Ope: Kebang, community elders, knowledgeable individuals, and other relevant organisations and associates to raise awareness about the genealogies of different Mising clans. Verified genealogical information will be shared through the TMSK page and other appropriate platforms to promote awareness and preserve ancestral knowledge for future generations.

All concerned Ope: Kebang, their staff members, community elders, researchers, and individuals possessing relevant genealogical knowledge are requested to extend their cooperation and support to this initiative. Their contributions will help strengthen collective efforts towards preserving the historical and cultural identity of the Mising community.
